SUBSCRIPTION: \$2.00 PER YEAR; \$2.50 U.S. AND FOREIGN

IRMA LEGION Notes

The Canadian Legion B.E.S.L. are conducting their annual Polo Campaign for funds in March this year. During the five years that in which the Alberta Canadian Legion has conducted their campaign, \$656,486.25 has been taken in, and this is all spent except approximately \$50,000.00 held in trust at the University of Alberta for research. The fund supplements but does not overlap what is being done by the Provincial Government. So join in the fight against Polio by leaving your donation with Fred Jack Hardware or Keith Coffin, M.H. Farm Machinery, and the local Secretary Herb Larson.

On Saturday evening, March 21, 1959, the local Branch of the Canadian Legion are sponsoring an Easter Bingo for Hams and cash. The Bingo is to start at 8:30 and a large turn out will be appreciated. See the posters for games and admission.

Come and try your luck for all the Easter Ham!

—H. L. Larson, Secretary.

The world's longest covered bridge, nearly 1300 feet in length, crosses the St. John River at Hartland, N.B. The second largest covered bridge, in Norway, is about 200 feet shorter.

Divine Worship—11:30 a.m.
C. Magee, Pastor.

Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

For when we were yet without strength, in due time Christ died for the ungodly.

For scarcely for a righteous man will one die; yet peradventure for a good man some would even dare die.

But God commendeth His love toward us, in that, while we were yet sinners, Christ died for us.

Much more then, being now justified by His blood, we shall be saved by His life.

And not only so, but we also joy in God through our Lord Jesus Christ, by whom we have now received the atonement. —Rom. 5:6-11.

Minutes of Village Council Meeting

Minutes of the regular monthly meeting of the Council of the Village of Irma, held in the Village Office on the 2nd day of March 1959, at 8 p.m.

Councillors present: L. E. Meier, V. S. Sampson; Secretary-Treasurer, A. C. Charter; Vice-Meier, L. E. Meier presiding.

The minutes of the last regular monthly meeting of the Council were read by the secretary and adopted as written on a motion by L. E. Meier.

Sampson that Council cheque No. 41/58 as in the amount of \$188.14.

Balance Sheet received from The Alberta Municipal Financing Corporation, filed.

Secretary reported that the Franchise tax according to the Village of Irma from the Northwestern Utilities Limited for the year 1958 was \$769.25.

Annual report for 1958 of the Minibus-Vermilion Health Unit No. 12 received and filed.

Meier—that Court of Revision 1958 be set for April 8th at 8 p.m. in the Village Office.

Sampson—that A. C. Charter be appointed enumerator for the year 1959.

Meier—that subject to the approval of the Minister; that Deloitte Plender Haskins and Sell be appointed as Auditors for the year 1959.

Bylaw No. 244 of the Village of Irma, for the purpose of deleting Bylaw No. 205 and substituting a new amending Bylaw for the purpose of amending Bylaw No. 158 by deleting clause (b) and substituting a new clause therefore (Clause No. 5).

Clause No. 5—The Business tax payable shall be calculated and levied annually upon the assessment so made at a uniform rate of thirty-five mills on the Dollar; being fifteen mills on the Dollar for Municipal Purposes and Twenty mills on the Dollar for School Purposes.

Passed first and second readings.

The matter of renewing Franchise with Calgary Power Ltd was left over until full meeting of the Council.

Secretary reported that sale of dog tags for 1958 was very poor.

Financial Statement presented. Net Balance at end of previous month \$11520.28. Disbursements \$1143.94. Balance General Account \$12402.44. Savings Account \$3370.84.

Meier moved the financial statement be accepted as presented.

Sampson moved adjournment.

NORTH EAST CORNER

Last week Paul Nymmo and Archie Cook were business visitors to Edmonton.

Mr. and Mrs. Bill Lawson visited with the Stockton's at Tofield on Tuesday.

Mrs. Jack Savard reports tulips coming up—could be spring is on the way.

Mrs. Mary Kent of Riverhurst, Sask. has been visiting with her cousin, Mrs. Frank Ford Sr.

Miss Joyce Cook has arrived home from Cold Lake to visit with her parents and brothers.

We have been hearing quite a bit of rumblings around these parts made by the Shaban brush cutters on various farms.

Mrs. Archie Cook is curling in Vermilion this week.

Master David Johnson underwent an emergency appendectomy late Sunday night in the local hospital. At last report he was progressing fine.

Mr. Bill Whitley has left on a nurse trip with friends—destination North Dakota.

Mr. Stuart Rose was a Sunday visitor at Viking.

The new locks along the St. Lawrence Seaway will accommodate ships with a beam of 70 feet; the Welland Canal locks which are about 25 years old, are 80 feet wide.

Most people pay too much for the things they get for nothing.

- Wedding Bells -

FISCHER - SMALLWOOD

A very pretty wedding united in marriage two well-known families on February 21, 1959, in the Irma United Church when Marian Annette, daughter of Mr. and Mrs. Clifford Smallwood, became the bride of Robert Arnold, son of Mr. and Mrs. George Fischer, all of Irma.

Bouquets of pink and white mums and carnations, the floral background at the altar while white bows with roses marked the guest pews.

Rev. H. W. Ingles performed the double-ring ceremony.

The bride, given in marriage by her father, chose a floor-length gown of white silk organza and lace. The slim bodice was designed with a scalloped neckline trimmed with iridescent sequins and seed pearls. A half-crown of iridescent sequins and seed pearls held in place her finger-tip embroidered French illusion veil. She carried a cascade bouquet of red roses and white lily-of-the-valley. A white gold pendant, with two pearls was the bride's only jewelry, gift of the groom.

The bride's two sisters were her attendants. Lorraine, as maid of honour, wore a red flowered white silk dress with a red cummerbund and matching accessories. She carried a cascade bouquet of red and white carnations. Carole, as bridesmaid, wore a similar dress in blue and white with blue accessories. She carried a cascade bouquet of pink carnations.

The groom was attended by Mr. Kevin Gleeson of Viking and Mr. Ron Prior, Mr. Donald McKay, cousin of the bride and Mr. Bob Dunbar ushered the guests.

Mrs. A. Glasgow played the wedding music and during the signing of the register Miss Elaine Clark of Edmonton sang "The Wedding Prayer."

For her daughter's wedding, Mrs. Smallwood wore a blue lace over tulle dress with pink accessories and a corsage of pink roses was pinned at her shoulder. The groom's mother chose a flowered blue silk dress with pink accessories and a corsage of pink roses.

Following the ceremony, a reception for eighty guests was held in the church basement. The bride's table was laid with a linen cloth and flanked with white tapers. The three-tiered wedding cake was placed on white tulle with scattered red roses. Mr. Donald Gunn proposed the toast to the bride to which the groom very fittingly replied. Rev. Ingles was toastmaster. Mr. K. T. Kjos, grandfather of the bride, spoke a few words.

Telegrams from Ken Fischer of Victoria and Mr. and Mrs. B. Evans, Sandra and Darrell of Trail, B.C. were read. Later a telegram from P.O. Don Fischer of Germany was received.

After the reception, open-house was held at the home of the bride's parents.

A dance was held at the North Irma Hall with music provided by the Mismasters. Later, the bride changed to a blue Aljean suit. Accessories in black and white completed her costume and she wore a corsage of red roses at her shoulder. After the dance, Mr. and Mrs. Bob Fischer left on their honeymoon to Edmonton, Calgary, Banff and Hanna.

A number of out-of-town guests attended the wedding.

ANNOUNCEMENT

Mr. and Mrs. J. H. Armistead of Kinless wish to announce the engagement of their daughter, Betty Anne, to Mr. Charles Clifton Holt, son of Mr. and Mrs. J. M. Holt of Edmonton. The marriage to take place April 4th, 1959, at 3:30 p.m. in the United Church, Kinless, Alberta.

In Canada in the 1948-1957 period the total of federal, provincial and municipal transfer payments for welfare services increased by 192 per cent.

'Tis well to forget the past because the future will give you plenty to worry about.

GULBRAA - STRAUSS

A quiet wedding took place on Monday, February 23rd at the St. Thomas Anglican Church of Wainwright, when Rev. Flagler united in marriage Ida Lorraine Strauss, only daughter of Mr. and Mrs. H. Strauss of Wainwright, and Sigmund Leland Gulbraa, oldest son of Mr. and Mrs. B. M. Gulbraa of Irma.

For her wedding, Lorraine chose a navy blue dressmaker suit with white and pink accessories. Her corsage was of roses.

Miss Edythe Gulbraa, who attended the bride, wore a grey tulle suit, also pink and white accessories. Her corsage was of roses.

The groom was attended by Mr. Lorne Fuder.

For her daughter's wedding, Mrs. Strauss wore a 2-piece charcoal grey dress and wore white accessories. Mrs. Gulbraa wore a navy sheath dress with pink accessories. The mothers wore identical corsages of red roses and white stephanotis.

Following a small reception at the home of the bride's parents, the bride and groom left for a short honeymoon, after which they will reside in Wainwright.

Shower Held for Bride-to-be

A large group of friends of Mrs. Betty Gulbraa gathered in the basement of the Irma United Church on Tuesday, March 10 to take part in a bountiful bridal shower held in her honor.

Betty's good friend, Maureen Dempsey, brought her to the church on the pretext of looking over some CGT leader's material. Betty was truly surprised to find the basement so thickly populated. She was escorted to the seat of honor under the canopy of pink and white wedding bells and streamers. Her mother, Mrs. J. H. Armistead, her grandmother, Mrs. Shaw of Wainwright and her sister Doris and the groom's mother, Mrs. J. M. Holt, were seated beside her and later helped unwrap the gifts.

Mrs. G. Thorau, lifetime friend and neighbour, was mistress of ceremonies and a good program was soon underway.

Gayle and Melba Sampson sang a duet accompanied at the piano by their sister Virley. Miss Carole Smallwood and Mrs. Ole Nissen played a saxophone and piano duet.

Miss Maureen Dempsey and Mrs. Ervin Prosser conducted a couple of enjoyable contests. Then a group song was sung. This was written by Mrs. C. Angquist.

Mrs. Theroux then spoke of her long and happy association with Betty and then she approached a large, shrouded object and unveiled it. It was a very good replica of a Teller's Cage. This was the work of Mrs. Theroux and bore a sign, Holtville Matrimonial Bank. The guest of honor was told that all treasure in the bank was hers. Maureen acted as Teller and delivered the contents to her. Two large tables filled with gifts were also moved over to Betty. When these had all been unwrapped and admired, Betty warmly thanked everyone present.

A delicious lunch brought this happy occasion to a close.

Cub Corner

Mr. Grant Salmon, District Commissioner, attended Tuesday night's meeting and invested the "sixers" of the pack. The rest of the boys will be invested in the very near future.

The Irma Pack are doing an action song at the Rally on Friday night. The parents and friends are cordially invited and we are sure they will enjoy the program.

The boys are a real enthusiast. A lot and now that most of them have their uniforms, they really look smart. If the parents know of any second-hand uniforms that they could procure, they would be very serviceable.

It takes a raft of friends to keep some people afloat.

Jarrow Store Robbed Again

The general store at Jarrow must have the unfortunate record of being the most frequently robbed store in the province. During the night of March 11th-12th, thieves once again broke into the store of Mr. Carl Soneff by bursting open the front door. About \$15.00 in cash and some goods were stolen. Later an abandoned car was found in the ditch on the highway. The same night, a car belonging to Mr. Wm. Patterson of Irma was reported stolen from his farm two miles east of Irma.

Post-luck Supper and Nominating Convent'n Held by C.C.F.

The Wainwright Constituency CCF met at supper in the Wainwright 100F hall on March 6. Over 40 members and friends attended the supper.

Mr. Frank McCoy, CCF candidate for the Norwood constituency in Edmonton, gave an interesting talk. Following his speech, Mr. Floyd Johnson, the provincial CCF organizer, addressed the meeting.

Mr. Johnson spoke on past and present governments have been elected to serve us, and how they have served us, and where they have given us better and more efficient services.

Mr. Glen Valleau then opened the meeting for nominations for a candidate.

Mr. Wesley Connelly, an Edmonton farmer, was nominated as CCF candidate to contest the next provincial election.

Mr. Connelly is a married man with one son. He specializes in beef cattle. Besides farming he has worked in the oil fields and lumber industries. He is FFA Director for District 7 and Sub-district 6. At present, Mr. Connelly is in Ottawa with the farm delegation seeking deficit payments for farmers.

WITH THE District Agriculturist

By J. S. Duncan

WARBLE SPRAYING TIME

Now is the time to watch your cattle and spray for warble as soon as they start to open up on the animals' backs. A high pressure sprayer is the best for this treatment. Pressure of 400 to 500 pounds per square inch is ideal. The warble powders containing rotenone are the best to use. If you can't get a sprayer you can treat your cattle by hand, using a stiff brush to scrub the powder or liquid into the animal's back. This treatment costs only a few cents per head and can make you a profit of several dollars per head. It is too late in the season now to use systems such as Trolene.

WEED CONTROL

A bit early to do much in this line but one method of weed control which is often overlooked is to plant only clean seed. Now is the time to get that seed cleaned up so as to have it ready. It is also a good time to look over the machinery, sprayers, etc., so that they are all in shape to go when the land and the weather are fit.

FARM ACCOUNTS

If you haven't started your yearly accounts and taken inventory yet, it is time that you did. Farming is a business and no business can keep going without proper records. Don't be downhearted just because you aren't sure what account book or type of book you should use. If you are having trouble getting started, why not drop into the office and talk it over? You will find it easier than you expected and will get a lot of good value out of your records.

Canada's Pacific coast Indians were divided into 7 different language groups. All lived mainly on salmon and sea foods rather than on foods from the hunt.

Midget Hockey

Wainwright Elks held a hockey tournament in that town on Saturday, March 7th for boys' teams 14 years of age and under. Six teams from Chauvin, Edgerton, Czar, Wainwright, Irma and Hardisty took part with Hardisty taking home first money and the trophy while Irma came back with second prize.

In the first round draw, Wainwright defeated Chauvin 9-0 while Hardisty won over Edgerton 15-2 and Irma edged Czar 6-5.

The second round saw Irma draw a bye while Hardisty won over Wainwright 7-4.

With a good crowd on hand for the final game, Irma took an early lead and held it until the last ten minutes of the game. The most outstanding player on the ice was Gordon Darling in the Irma nets, who drew crowds of applause from the crowd. Hardisty led the score at 3-3 midway in the last period and then Gordon was hit by a flying puck and had to receive 6 stitches to close the cut under his eye.

With D. Prior in the goal, Irma seemed to lose their spark and while Hardisty scored 5 more times, Irma only managed 1 goal in reply to finish on the short end of a 6-4 score.

Irma scores for the day: Barry Patterson 5 goals; W. Gwinn 2 goals; G. Pyle 1 goal, 1 assist; L. Coulman 1 goal, 1 assist; R. Shipley, 1 goal; D. Prior and C. Fenton, 1 assist each.

Lineup: G. Darling, L. Coulman, D. Prior, B. Hubman, C. Fenton, B. Patterson, A. Barton, G. Pyle, E. Darling, W. Gwinn, B. Coulman, R. Shipley, G. Meier, R. Dempsey.

Beware of "discount clubs"

Attorney General R. A. Walker warned householders to beware of "discount clubs" or any such "advance fee racket".

"Reports have reached this Department suggesting that people are going about the country selling memberships in a so-called 'discount club'. The membership fee is reported to be \$100.00 and is payable in advance for a 10-year term. The public should beware of any such advance fee racket", he said.

Mr. Walker pointed out that no club of this nature is currently licensed under the Commercial Agents Act. He advised against handing over money to any unlicensed salesmen, and to report infractions of the Act to his Department which would take appropriate action to protect the public.

Tourist Branch gets humorous inquiry

From time to time the Saskatchewan Government Tourist Branch receives humorous inquiries from persons interested in visiting the province.

One such inquiry was received recently from a veterinarian who lives in Wilder, Idaho. The man asked for information on behalf of his setter dog, who according to the inquirer, wants to spend some time hunting in Saskatchewan. Enclosed with the letter was a photo of the dog.

The letter ran like this: "This setter whose picture I have enclosed wants to go to Saskatchewan to hunt sharp-tailed grouse and prairie chickens, and I want to go too. For this reason I am eager to ascertain what the shooting was during the past season—1958. This may give me an idea as to the abundance or scarcity of prairie fowl in your province. Furthermore I shall be pleased to be advised where the better bird sections are in Saskatchewan."

The information has been dispatched and Tourist Branch personnel feel sure that the setter, and his companion, will have an enjoyable time in Saskatchewan.

Today nothing seems to succeed like the appearance of success.

For Naturally Lovelier Hair

RESTOR

Home Hair Treatment

RESTOR, which restores lost life and lost elements to hair damaged by too many permanents, too much processing, too many bleaches, too much exposure, leaves hair soft, manageable, silky, naturally lovelier!

1. Single Strength for moderately damaged hair \$2.00
2. Triple Strength for extremely damaged hair \$3.00

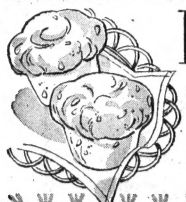

(Ed. tax inc'd in both prices)

PHILLIPS FOR BEAUTY

206 Kerr Block Regina, Sask.

When you 'phone Long Distance

RATES ARE CHEAPER
AND ALL DAY
AFTER 6 P.M. SUNDAY

Delectable!

Downright delectable... these flavorful Cheese Puffs, fresh and fragrant from the oven. Made with Fleischmann's Active Dry Yeast, they're a treat to prepare. Next time you bake at home, bake a batch of these delicious cheese treats!

Cheese Puffs

1. Scald $\frac{1}{4}$ cup milk
Stir in
1 tablespoon granulated sugar
1 teaspoon salt
 $\frac{1}{4}$ cup shortening
Cool to lukewarm.
2. Meanwhile, measure into bowl
 $\frac{1}{2}$ cup lukewarm water
Stir in
1 teaspoon granulated sugar
Sprinkle with contents of 1 envelope Fleischmann's Active Dry Yeast
Let stand 10 minutes, THEN stir well.

- Stir in lukewarm milk mixture and
1 cup shredded old cheddar cheese
2 cups once-sifted all-purpose flour
 $\frac{1}{2}$ teaspoon celery seeds

and beat well—about 2 minutes. Scrape down sides of bowl. Cover with a damp cloth. Let rise in warm place, free from draft, until doubled in bulk—about 30 minutes.

Yield—12 puffs.

Needs no refrigeration

Woman's Way

MADELINE LEVASON

"WOMEN BLAMED"

Now we women are being blamed for unemployment. Hugh Crombie, the vice-president of the Produced-in-Canada Association, puts it more politely when he urges us to "Buy Canadian" and defeat unemployment.

Mr. Crombie says if Canadians buy more of their own products, more employment will be available for more people.

Today it is common for us to express preference for an imported article over a similar one made or grown in Canada, he says. "It is often done unthinkingly, but each time it happens, it is the same as taking work away from some Canadian."

Mr. Crombie really puts the finger on us when he says: "It is to our womenfolk who have the spending of some 55 percent of our Canadian earned dollars, that I am making this appeal."

"If they will keep in mind the slogan 'Buy Canadian' whenever and wherever possible, they will be creating and ensuring employment for all Canadians; they will be helping to make Canada prosperous."

The "Buy Canadian" practise, he describes, as the most effective and also the most inexpensive way of reducing unemployment.

When Canadians buy foreign-made goods they are sending the money out of the country instead of back into circulation here to pay other wages which in turn will be used to buy other goods and services. "Thus the circle grows."

Personally I agree with Mr. Crombie but I would like to add one protest on behalf of women. How can we avoid foreign-made goods when they are not identified as such? If foreign-made goods were labelled as to origin then consumers would have a better chance of heeding Mr. Crombie's advice.

IT'S WOOL! — As versatile and flattering as a dress can be is this shirtwaist style in crisp and comfortable wool challis. Yellow roses and green leaves, printed on a white ground, add color and femininity to the simply cut dress. New lightweight wools are practical and wearable in any climate, at home or on holiday.

PIG THIEVES CAUGHT

While playing hockey at Stewarts Valley, Evan Saunders had 10 of his pigs stolen from his farm east of Lucky Lake.

The Elbow RCMP was notified of the theft and the pigs were traced to the Moose Jaw stock yards, where they had been loaded on a truck and were in transit to Winnipeg. The truck was stopped five miles east of Regina and returned to that city, where the pigs were unloaded and Evan was able to identify eight of the animals by the tattoo marks in their ears. Another has since been located on a farm at Keeler, where the two men involved in the theft had difficulty with their truck and had given a pig to a farmer for helping them out. When this farmer heard of the theft he reported the incident.

The men charged with the theft are Roy Wood of Lucky Lake and Edwin Turner of Beechy. Each man was sentenced to one month in jail.—The Weekly Broadcast, Lucky Lake, Sask.

Accidents can happen to you. Drive carefully.

Keep apple cool in the refrigerator

About 25 percent of the volume of the apple is composed of air space. In contrast, the potato has only about two percent. There is also a heavy percentage of water in the apple... in some varieties as high as 86 percent. If this water is allowed to transpire with improper storage, the fruit dries out. Furthermore the apple as a living individual uses oxygen and gives off carbon dioxide. If it is stored where it cannot get a change of air and if kept warm so that its life activities go on rapidly, the carbon dioxide will so fill its cellular spaces that it suffocates and dies quickly.

THINK SAFETY

Now Many Wear FALSE TEETH With Little Worry

Pat, talk, laugh or sneeze without fear of insecure false teeth dropping, slipping or wobbling. **PASTERIN** holds plates firmer and more comfortably. This pleasant powder has no funny, soapy taste, dry or stinging (non-astringent). Checks "false odor" (denture breath). Use **PASTERIN** as any drug counter.

EVER-CHARGE

Automatically Keeps Battery Charged

(If Battery Mechanically Sound)

START MOTOR as often as you want. PLAY RADIO and USE LIGHTS as long as you wish. No More Charging. Ever-Charge Does It! Doubles Life of Battery... For Use in Old and New Batteries.

HOW IT WORKS Ever-Charge is a chemical that prevents the lead and acid in battery from combining to form what is called sulphation, which causes 95 percent of battery failures. By preventing this sulphation it allows the acid to contact the lead and so, no doing keeps the battery at full charge.

GUARANTEE EVER-CHARGE is guaranteed to do all we claim for it, if used according to directions and if the battery is mechanically sound. Money back if not satisfied. Only 1 pkg. and 3 minutes required to treat a battery. PRICE ONLY \$1.50

This Coupon Worth 25c Per Package (3 Package Limit, at This Special Price)

Interprovincial Sales Agency

SPECIAL INTRODUCTORY OFFER: CLIP AND MAIL TODAY

Alberta Legislature In Session

By Ken Mason

Edmonton, Alta., March 6—Anyone struggling under a heavy accumulation of personal debts may find a more convenient way of paying them off under a bill introduced in the Legislature last week.

Premier Manning introduced the bill, which would permit a debtor to apply to a judge of the district court to have his debts consolidated.

When a consolidation order is in effect, the debtor would pay his money into the court and the court would distribute it among all the creditors on a pro rata basis.

A main feature of the scheme is that once a consolidation order is in effect, no creditor could slap a garnishee on the debtor and freeze other creditors out of the picture.

The bill has been given first reading but hasn't yet been discussed at length.

The budget debate ended in the House last week, clearing the way for the House to go into committee of the whole assembly for detailed study of the departmental estimates.

Opposition forces continued to concentrate their attack on the forecast deficit of \$48,000,000, and seemed to be resigned to the fact that was about all they had to criticize.

Government members gleefully pointed out that Liberals and Conservatives in the past had advocated deficit spending as a means of getting things done now, when the government has decided to dip into its reserves the Opposition is critical.

In the midst of all the talk, a significant note crept into the debate last week.

Liberals Hugh John Macdonald of Calgary and J. Harper Prowse of Edmonton warned that a continued increase in government spending is paving the way for introduction of a sales tax.

And they drew an agreement in part from Provincial Treasurer Ted Hinman, the man who brought the deficit budget into the House and forecast record spending of \$308,000,000.

Mr. Hinman, closing the budget debate, said if any new provincial tax is introduced it will be the fault of the province's municipalities.

The treasurer said that if municipalities keep on demanding higher provincial grants, "the province will inevitably be forced to find a new tax."

Mr. Hinman and the Opposition spokesmen seem to be in complete agreement on the one point that a government's spending is controlled by the amount of revenue it receives. If the people want more services and bigger grants, they'll have to pay for them.

But at the same time Mr. Hinman defended the government's decision to dip into its healthy reserves to finance this year's forecast deficit. He said the reserves were set aside against the day when they were needed, and the government feels they are needed now.

However, he did inject one note of optimism. If economic recovery is good in the coming year, provincial revenues may regain their buoyancy and if this happens the province could end the fiscal year with a surplus instead of a deficit.

The inevitable motion of non-confidence was introduced into the budget debate last week, but the Social Credit majority made short work of it and defeated it by a vote of 34 to 20.

Mr. Prowse introduced the motion, which would have put the House on record opposing deficit financing as "unnecessary and to be deplored."

Members last week began debating a Liberal motion calling for establishment of a royal commission to study the province's natural resources and assess provincial needs for the next 50 years.

Liberal Opposition Leader Grant MacEwan introduced the motion, and dealt mainly with soil, forest and water resources, claiming there growing concern about policies which have led to errors and waste.

The motion didn't come to a

THE Homemakers

CLEANING TIPS:

No matter how well you clean your house each week—no matter how shining and spotless everything appears to others, if you have a spark of Dutch instinct within you, spring days are not too far away turn your thoughts to spring cleaning. Here are a few tips which may help in your everyday work or in your start of spring cleaning.

1. To Keep Aluminum Pans Bright—avoid soaking aluminum utensils for long periods of time, as the minerals in the water will darken the pan. To bring back the brightness boil two teaspoons of cream of tartar and one quart of water in the pan. Another method is to cook acids such as rhubarb, tomatoes or apples. The foods are not affected. Always dry the pans well before storing.

2. To Season New Cast Iron Pans—scour, wash, rinse and dry. Brush inside with salad oil or melted shortening. Place in an oven at 275° F. and leave 4-5 hours. Brush once or twice with oil during the seasoning process. Cool and wipe with absorbent paper towelling.

3. To Keep Brass Shiny—clean with a brass cleaner and apply clear lacquer to prevent tarnishing.

4. To Keep Copper Utensils Bright—clean copper bottomed utensils with a special paste or liquid. If this isn't available, rub a cloth dipped in vinegar and then in salt. Rinse and dry thoroughly.

To save cleaning, apply a vat of liquid copper protection which is available in most department stores. This coating will last about a month or a month and a half. Utensils used on high heat (e.g. frying pans) will be better protected with clear lacquer. Brush ornaments with two coats of lacquer to help prevent copper from tarnishing.

5. To Remove Badly Burned Food on your glass utensils, soak in one quart of hot water and 2 tablespoons household ammonia or baking soda. Adding a little vinegar to the water will brighten your glassware.

vote, but there seems little chance of it passing. Lands and Forests Minister Norman Williams and Agriculture Minister L. C. Halmrast both spoke against it, claiming their departments have everything in hand and a royal commission study would make no valuable contribution.

Two northern Social Crediters—Ira McLaughlin of Grande Prairie and A. O. Fimrite of Spirit River—introduced a motion calling on the province to press Ottawa for completion of the paving of the Alaska Highway.

They rapped the federal government for its apparent refusal of a United States offer to share in the cost of paving the 1,200 mile Canadian section of the road.

Alberta has a big stake in the completion of the Alaska road, because tourist and commercial travel is bound to increase as a result of Alaska's statehood. Alberta's share of the route will be blacktopped this year, but that still leaves a lot of rough road through northern B.C. and the Yukon.

Other highlight of the week: Health Minister Dr. J. Donovan Rose announced that poison control centres will be established to cope with the menace presented by increased use of deadly new insecticides and pest poisons.

The government majority defeated a Liberal motion seeking a House committee hearing on proposed increases in natural gas rates.

A Social Credit motion asking the province to pay back taxes to municipalities on repossessed crown lands was approved.

Roderick A. MacLeod, newly-elected Social Credit M.L.A. for Olds riding, was sworn in and took his seat in the House.

Premier Manning turned thumbs down on the idea of adjourning the House after its regular business is finished and calling it together again in June or July to discuss the Cameron Royal Commission report on education.

EASTERLY ECHOES

Mr. Eldon Fenton had the misfortune to have his right hand caught in the grain auger, on his farm Friday.

Mrs. J. Tindall and children of Sedgewick are spending a few days at the home of her parents, Mr. and Mrs. E. Fenton.

Darleen Veer spent the weekend with her parents and brothers.

Sorry to hear Brian Veer is on the sick list. Hope you soon feel better, Brian.

Mrs. A. Cook is representing this district at the Vermilion Ladies Bouspiel this week.

Mr. Pat Kennedy of Lloydminster is visiting at the home of his nephew, Mr. J. J. Kennedy this week.

Friends of Mrs. H. Kennedy will be interested to know she is convalescing at the home of her daughter, Mrs. Bill Brown of Edmonton, having accompanied Ann at the weekend.

Congratulations to Mr. and Mrs. E. Dallow on the arrival of a new granddaughter, born to Mr. and Mrs. Eric Dallow of Edmonton.

Mrs. H. Pruess of Calgary is visiting at the home of her parents, Mr. and Mrs. E. Dallow.

Ralph Fusco visited with Harvey Haun Thursday evening. Stanley Veer was Richard Haun's guest. Yvonne Crabbs stayed with Cheryl Lynn McMillan.

Mr. and Mrs. R. Dempsey and Ronnie were city visitors on Wednesday.

These lovely days turn one's thoughts to spring cleaning. Mrs. J. J. Kennedy reports growth showing on her carnations and Mrs. Jack Savard reports growth on her tulips. If this weather continues, we'll probably have the crows serenading us soon.

At Mrs. Haun's meeting on Thursday, we made plans for raffling the quilt. Mrs. H. Morse, our visitor, won the raffie.

The next meeting of the Strawberry Plains WI will be held at the home of Mrs. H. Tomlinson March 19. Hostesses, Mrs. H. Tomlinson and Mrs. H. Long; Roll Call, Towel for Layette; Raffle, Mrs. H. Tomlinson; Topic, Education by Mrs. M. Creasy. Mr. and Mrs. Wes Bacon and Stanley were city visitors on Sunday.

Mr. H. Tomlinson was a city visitor on Monday.

Mr. P. Funk and Larry were city visitors on Monday.

Mr. and Mrs. M. Treffry and family of Wainwright visited at the home of Mr. and Mrs. Martin Creasy on Monday.

Keith and Leslie Creasy spent a few days at the home of their aunt, Mrs. Ken Sutter of Hardisty.

Mr. and Mrs. Eddie Jackson and family visited at the home of Mr. and Mrs. Phil Holt on Sunday.

It takes wise parents to know that their own child was as much at fault as the neighbors'.

Northern Nuggets

Friends of Mrs. L. H. Barrs will be sorry to learn that she is again in the Wainwright hospital.

Wee Dorothy Hardy is also a patient in the Mannville hospital. We hope she will be home in a few days.

Mrs. Ches. Spornitz is confined to her home with Scarletina.

There will be another Triway card game at Albert Tuesday, March 24 commencing at 8 p.m. sharp.

While playing in the hockey tournament last Saturday, Maurice Miller received a deep cut on the top of his head which bled profusely and required medical attention. Unfortunately this put him out of action for the rest of the games.

There will be a meeting in the school on Wednesday, March 25 to consider the forming of a Parents and Teacher Association. Mr. Albert Mr. Allan of Chauvin will be in charge and lead the discussion. It is hoped that at least one parent of each family will attend and all interested residents of the district are welcome.

On Friday, March 6, the Albert school staff observed Education Week. A good number of the parents took the opportunity to visit the school and acquaint themselves with the business of educating their youngsters. The tour of the various rooms was greatly enjoyed and then the Gr. IX and X room entertained the visitors with two plays, directed by their teacher, Mrs. Schreyer. These were very well done, and the parents and visitors say "Thank You" to our teachers.

Glen-Coa Gleanings

Mr. and Mrs. Erling Nilson were Edmonton visitors last Sunday.

Mr. Orville Likness and his mother, accompanied by Mrs. Reitan and Mrs. T. A. Larson, drove to Camrose on Monday evening of this week to attend the Edmonton Symphony Orchestra concert led by Sir Ernest MacMillan. They enjoyed the evening of music immensely.

We are glad to hear that Mr. Gordon Hollinger is progressing nicely after being hospitalized a few days in the Royal Alex.

Baby chicks have arrived at a few farms in the neighborhood. This fine weather really makes one mindful of approaching spring. However, the change in weather seems to have brought colds and touches of the flu to many people.

By-Law 455

A Bylaw of the Municipal District of Wainwright No. 61 to limit the operation of Trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Wainwright No. 61.

WHEREAS

Under the Provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Wainwright No. 61 and there is a duty on the Municipal District to repair the said roads.

AND WHEREAS

Under the Provisions of the Public Services Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof by any truck trailer, or traction engine and the said Public Services Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated in this Bylaw.

THEREFORE

The Council of the Municipal District of Wainwright No. 61 enacts as follows: The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.

No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof without permission of the Council in the division in which the vehicle is operating during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road materials from the road bed.

Any person or persons who are found guilty of a breach of this Bylaw shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five (\$25.00) dollars and costs, for a second offence to a penalty of not more than Fifty (\$50.00) dollars and costs, for a third or subsequent offence to a penalty of not more than one hundred (\$100.00) dollars and costs.

DONE AND PASSED

In Council assembled this 2nd day of September A.D. 1954. This Bylaw to be effective Fifteen (15) days after the passing of this Bylaw. 1st - 2nd - 3rd and final readings this 2nd day of September A.D. 1954.

Municipal District of Wainwright No. 61

A. C. ARCHIBALD, Reeve.

HOW FERTILIZER BOOSTS YOUR PROFIT ON OATS

YOU CAN MAKE UP
TO \$6.00 PER ACRE
MORE!...

Actual field tests show how your net profit per acre of summer/fallow oats is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over \$6.00 per acre is certainly worthwhile.

Fertilizer per acre.....	50 lb. 11-48-0 (Cost \$2.60)
Increased yield per acre.....	18 bu. (worth \$9.00)
YOUR INCREASED PROFIT PER ACRE.....	\$6.40
OR \$640.00 ON 100 ACRES	

When properly fertilized, oats grown on stubble land will show an equally profitable return per acre. For greater net profits per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

It pays to use

Elephant Brand FERTILIZERS

AMMONIUM PHOSPHATE.....	11-48-0	AMMONIUM SULFATE.....	16-20-0
AMMONIUM PHOSPHATE-SULFATE.....	16-20-0	NI-TRAPHOS (AMMONIUM NITRATE).....	33-50-0
AMMONIUM NITRATE-AMMONIUM PHOSPHATE.....	33-50-0	COMPLETE FERTILIZER.....	16-20-0

Kinsella News

Congratulations to Mr. and Mrs. Earl McNall on the birth of a daughter.

A large audience enjoyed the Variety Concert held in the Memorial Hall on Friday evening, put on by the Students' Union. Plays, vocal and instrumental numbers showed much time and talent had been put into this effort. Much credit should be given to the high school teacher, Mrs. O. Likness, who was helped by Mrs. G. Conley of Jarow. Congratulations, High School Students, for doing such a good job and giving us such an enjoyable evening.

Mrs. M. Brown of Viking is at present visiting her son and daughter-in-law, Mr. and Mrs. Wylie Brown.

A Pot-Luck Supper was served on Wednesday, March 4th to about ninety members and relatives of the local Curling Club. This was held in connection with the bonspiel now being held here.

Mr. and Mrs. Albert Horinek and family of Hingham, Montana, were recent visitors at the home of Mr. and Mrs. C. Horinek.

Mr. and Mrs. J. W. Daugherty of Wainwright were visiting at the home of their son and daughter-in-law, Mr. and Mrs. J. Daugherty last week.

Recent visitors at the home of Mr. and Mrs. Wylie Brown were: Mr. and Mrs. H. Wilson, and Mrs. H. Airth of Edmonton.

Mr. and Mrs. C. Horinek and family were Sunday visitors at the home of Mr. and Mrs. George Stevens of Fabian.

George Loades of Camrose spent the weekend at his home here.

Mr. and Mrs. R. Anderson and family of Edmonton were Sunday visitors of Mr. and Mrs. D. Greenwood.

Mrs. R. Stevens entertained a few friends at tea on Monday afternoon on the occasion of her birthday anniversary.

WI members please take notice of change in date of next WI meeting which will be held on Saturday, March 21st.

Guests at "Varsity Weekend" in Edmonton were Mrs. K. Overbo and Darlene.

Spiritual and Medical Missionaries to Pakistan

Pastor & Mrs. Roy C. Hafso Commissioned at Viking

On Sunday afternoon, February 22, about 275 people gathered at the Golden Valley Lutheran Church for the commissioning service of Pastor and Mrs. Roy Hafso who are leaving for Pakistan from New York on March 11th.

The afternoon message was brought by Paul J. Lindell, General Director of the World Mission Prayer League. This is the missionary agency which is sponsoring the Hafso's. It is an independent Lutheran missionary society organized in 1938 for the purpose of sending missionaries to preach the Gospel of Christ to the foreign field to which God has called them.

Mr. Lindell opened his address with these questions: Why are we engaged in a world-wide mission of preaching the gospel? What is basically behind men and women who testify that God has called them across the ocean? Why must a family with little children leave home, relatives, friends and comfort, go to the other side of the world to serve God? He pointed out that it all began with Adam, who in rebellion to God, went his own way. As a result, every person born is not only self-centred, but also self-willed and self-sufficient. This is the nature that causes war and all the misery in the world today. The only way we can have our nature changed is through another man. This man, God gave us in Jesus. He had one major purpose for coming — to deliver us from the sinful nature we are born with. We are all law breakers from the moment we are born until we allow Jesus to make and mold us according to His will by the Holy Spirit. It just before Jesus went up to heaven He said: "You shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem (at home) and in Judea and Samaria (neighboring provinces) and to the ends of the earth."

This is the pattern God is using to save the world. I suppose He could have used angels to do the job, but He doesn't. God has chosen those who believe in Jesus to tell the good news to the ends of the earth.

Mr. Lindell read the first three verses of Luke chapter 9, which records the example of Jesus who went through cities and villages preaching and bringing the good news of the kingdom of God. With him were his disciples and in this particular passage it specifies names of some women who were working and serving with Jesus too. The last verse gives the secret of God's financing—"many others provided for them out of their means."

Sunday evening, Mr. Lindell brought another clear message, this time based on Matthew 23: "The harvest is plentiful, but the laborers are few; pray therefore the Lord of the harvest to send out laborers into his harvest." He compared the people of the world to a crop of wheat ready to be harvested. Laborers for the harvest come as a result of persistent, believing prayer. God calls missionaries when His people pray. It is evident that the Christians of the world have fallen down on the job, because at present the population is increasing by 40 million a year. Out of this, about 8 million are added to Christendom, while 32 million become distinctly pagan. In some countries we have conditions such as one preaches for a million people, and to top it off no organized church to reach them through. Another place, one man is responsible for 5,000 villages. He is the only preacher they have.

We don't know the statistics for other denominations; but Mr. Lindell told us that our 8 million Lutherans spent 5 million dollars a year overseas. In other words on the average, each individual is giving 65 cents A YEAR to further the Gospel of Jesus Christ. Are we carrying out Christ's command? Can we face Him when He comes again? We are not grasping the meaning of living for Jesus is urgent and compelling. However, the trend of today (where we have freedom of worship without persecution) is to get rooted in our families, making a living, money,

fame, etc. It seems that God must send storms to uproot us, to compel us to be about His business before it is too late. Mr. Lindell pointed out that when a man is called by the Holy Spirit there is much against him. His own flesh desires to stay put where there is ease, comfort, friends, and so on. Then the devil and the world in the form of well-meaning friends, will bombard him with ideas like this: "You're needed right here." "Why disturb those natives hovering down to their idols—they're happy." "Don't subject your family to disease and evil influences, etc." May we resolve to pray to the Lord of the harvest, to send forth laborers into the field. If He doesn't ask us to go, remember that God needs many others to provide for those who represent Christ out of our means.

The morning sermon was preached by Pastor Roy Hafso on the theme, "A Heathen Woman's Cry," from the text Matthew 15: 21-28. Before the service the children of the Primary department of the Sunday School sang four little songs. After the sermon, our local choir sang a number.

The afternoon session was opened with scripture and prayer by Pastor L. Sogge of C.L.B.I., Camrose. This was followed by a solo by Stan Hafso, "Take My Hand, Precious Lord." After a word of welcome by the local Pastor, a C.L.B.I. trio sang before the message. Just before the Commissioning Service itself, a quartet was sung by Herman, Arnold, Gordon and Stan Hafso. Pastor Precht conducted the Commissioning Service, assisted by Deacons Sam Sorenson, Edwin Klein and Edward Thompson and visiting Pastors L. Sogge, R. Pearson, C. Johnson, G. Hope, M. Steiestol, H. Haugen and Mr. P. Lindell. This service was followed by another choir number, "Speed Thy Servants, Savior, Speed Them." Missionaries Roy and Alice Hafso gave their testimonies before a love offering was taken for them.

In the evening, Pastor H. Haugen from Kingman led in scripture and prayer. We enjoyed a C.L.B.I. Quartet before Mr. Lindell showed us pictures of Pakistan. We saw the town of Tank which will soon be Hafso's home town and some pictures of their neighbors. It was interesting to see a road which they will travel often and some of the surrounding countryside. The main method of transportation there seems to be by camel.

Before Pastor Hafso closed the day with the Benediction, he thanked everyone for making this occasion such a memorable day in their lives. We believe that everyone there was impressed with the urgency of sending Jesus while it is still day. The night is coming when no man can work.

—Ella Thompson.

Crucified with Christ

Your crucifixion is the real goal of Lent.

During these days of preparation for Easter the Christian Church concentrates on the crucifixion of Christ. God revealed His love to the world when Jesus, the Son of God took the human nature and was born in Bethlehem. Jesus became a man. He took the sins of men upon Himself. So His death on the cross is vital because there God took the agony of sin and suffered it for man. Christ died for our sin.

But His crucifixion 1900 years ago accomplishes its purpose only when you are crucified with Him. "Knowing this, that our old man is crucified with Him, that the body of sin might be destroyed, that henceforth we should not serve sin." (Romans 6:6)

Here the Scripture says that your life should be involved in Christ's death. You must die as far as sin is concerned. You can receive God's power that raised Jesus Christ from the dead to give you a new life.

The special services during Lent in the Lutheran church of your community, are offering you God's new life and your chance to die to sin.

Musical Hours

By BUD HAFSTEIN, Music Director

CLASSICAL MUSIC AND THE CLASSICS

As broadcasters we do occasionally find ourselves in difficulty when it comes to programming classical music. There are various schools of thought on the matter of its general acceptance. Those who, by musical training and environment bring them into close contact with the works of Mozart, Beethoven, Bach, Brahms et al firmly believe that the music of the masters by virtue of its unquestionable excellence must have a wide appeal while those whose musical development was shaped by Friesley, Cash, Rickie Nelson and Johnny Ray, hold a very different view.

We believe that in between these extremes is to be found the music that the average listener prefers, this being the ordinary and familiar melodies well played. As a result, our main musical fare consists of this type of music.

However we do feel that there is a need to present the finer music so that it will also become familiar and appreciated. Here is Mrs. Eleanor Cates, our Librarian, to tell you about our efforts so far.

The choosing of music for programs such as "Light Classics" and "Chamber Music" presents quite a few problems. The primary consideration is a Radio Station is that the music selected should be attractive and entertaining to the uninitiated listener. It cannot always be a reflection of the Librarian's personal taste. One must also examine the programs which precede and follow. Then comes the choice of recordings available, and last but not least, the time which has to be filled.

On the Light Classics Program, coming as it does in the middle of a Sunday afternoon it has been my practice to choose modern settings of very familiar compositions from the pens of the lesser as well as the great composers, so long as the work is melodic and well performed. If there is a reason to compliment a particular group in the community or a special occasion I am happy to use suitable music. It is primarily Music from all sources which through the test of time has earned the right to be called "Classic" but not necessarily from the "Classical" libraries.

Chamber music has its own particular problem in that it has been composed for small groups of musicians playing in more intimate surroundings to limited audiences. On occasion for this reason we step outside what is generally accepted as Chamber Music, i.e., trios, quartets, etc., and invade the recital field.

The allotting of a long enough period of time to enable complete works to be broadcast is nearly impossible over the privately owned Radio Station and nor is the average listener musically trained or conditioned to such aesthetic fare. We wish it were so. However, dreaming will not accomplish this end, and we must wait before we can run, so for the time being may I hope you enjoy with me, the music at 9:15 on Sunday evening.

Having heard from Mrs. Eleanor Cates I would like to conclude this article with the hope that someday it will be possible to regularly program the type of music that young people learn in the course of their regular music lessons. I believe that this would greatly help in making the music less a more enjoyable, more practical and less apt to depart from the realities of everyday listening.

MORE MILES

Since the end of World War II, Canadian National Railways has added more miles of line to its system than any other railway in North America.

YOU CAN SLEEP TO-NIGHT AND RELIEVE NERVOUSNESS ALL DAY TO-MORROW!

Scrumptious!

Coffee cake at its best... sweet and scrumptious! And so easy to make with Fleischmann's Active Dry Yeast when you bake at home. Surprise your family tomorrow!

Butterscotch coffee cake

- Measure into bowl 1/2 cup lukewarm water. Stir in 1 teaspoon granulated sugar. Sprinkle with contents of 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.
- Sift together twice, then into a bowl 2 1/2 cups once-sifted all-purpose flour, 1/2 cup granulated sugar, 1 teaspoon salt, 1/2 teaspoon grated nutmeg. Cut in finely 1/2 cup chilled shortening. Beat until thick and light.
- 2 eggs and stir into dissolved yeast. Make a well in dry ingredients and add yeast mixture; mix well, adding a little additional flour if necessary, to form a soft dough.

- Turn out on lightly-floured board and knead until smooth and elastic. Place in greased bowl. Brush top with melted shortening. Cover. Let rise in warm place, free from draft, until doubled in bulk—about 1 1/2 hours.
- Punch down dough. Have the dough. Roll each half into a 9-inch circle and place on greased cookie sheet. Brush each circle with melted butter or margarine. Cover. Let rise until doubled in bulk—about 50 minutes. Bake in a moderate oven, 350°, about 30 minutes. Cool and spread coffee cakes with the following butterscotch icing:

Needs no refrigeration

FORAGE SEED PROJECT—Standards, the allocation of foundation stock and production problems were discussed by the Co-ordinating Committee of the Canadian Forage Seed Project which met in mid-February in Ottawa. Seated left to right are W. L. Shannon, manager of the Canadian Seed Growers' Association; Joe Murray, Sologrith, Man.; A. H. Martin, Ontario Department of Agriculture; Art Wilson, Alberta Department of Agriculture; Arthur Dunlop, chief of seed section, CDA; Howard R. Parnell, CDA; Miss Helen Baldwin, CDA; Roy E. McKenna, Saskatchewan Dept. of Agriculture; George Gilbert, CDA; Andre Auger, Quebec Dept. of Agriculture; Standing: Barry Bain, Canadian Seed Sales Ltd.; Dr. T. M. Stevenson, CDA; T. Szego, Hogg and Lyle Seed Co.; Professor Emilie Loda, president of CSCA; Paul Legault, CDA.—Dept. of Agriculture photo.

Municipal winter works projects approved

Two further winter works incentive program applications have been approved to February 17 bringing the total number of applications to 84. The new approved projects are for the Village of La Ronge, announced Louis Jacobs, deputy minister of municipal affairs.

The total estimated cost of the 84 projects is \$2,474,603.37. The number of men expected to be employed is 1,577 and the estimated man work days are 71,158. The total direct payroll costs are estimated at \$955,047.97. Of this amount \$582,881.97 is shareable under the winter works program. The municipalities and the provincial government will each bear 25 percent of the cost and the federal government the remaining 50 percent.

The projects in the Village of La Ronge are for clearing brush for a recreational site and clearing the brush from a street leading to a future residential section, at an estimated cost of \$3,000.00. The projects will employ 45 men for 420 man work days.

SPEEDING CAR

A speeding car is like a loaded revolver. It needs a safety-catch on it to protect persons from injury. Keep the safety-catch of more careful driving on your car in winter.

Itch...Itch...I Was Very First of use of soothing, cooling liquid D. D. D. Prescription positively relieves raw red itch—caused by eczema, rash, erythematous, chafing, other skin troubles. WANTED NOW a year-round weekly supply of broiler chickens. Interested farmers should be located close to Regina, have a good water supply, electricity and buildings such as large barns that could be economically converted to broiler chicken production. For further details write: P.O. BOX 360, REGINA.

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. False teeth in an improved power, secured on upper and lower plates holds them tight so that they feel more comfortable. No gumming, poorly fitting, no rubbing, no sore spots (acid). Does not hurt. Checks "plate" (false teeth) today at any drug counter.

MORE FULL-TIME CLINICS

There are about 90 mental health clinics in the country. Many of these do not operate full time. There should be at least 150 full-time clinics. With your help this can be accomplished.

EVER-CHARGE

Automatically Keeps Battery Charged (If Battery Mechanically Sound)

START MOTOR as often as you want. **PLAY RADIO** and **USE LIGHTS** as long as you wish. **No More Charging.** Ever-Charge Does It! Doubles Life of Battery... For Use in Old and New Batteries.

HOW IT WORKS Ever-Charge is a chemical that prevents the lead and acid in battery from combining to form what is called sulphation, which causes 50 percent of battery failures. By preventing this sulphation it allows the acid to contact the lead and by so doing keeps the battery at full charge.

GUARANTEE EVER-CHARGE is guaranteed to do all we claim for it. If used according to directions and if the battery is mechanically sound. Money back if not satisfied. Only 1 pkg. and 3 minutes required to treat a battery. **PRICE ONLY \$1.50**

This Coupon Worth 25c Per Package (3 Package Limit, at this Special Price)

Interprovincial Sales Agency Box 425, Regina, Sask.

SPECIAL INTRODUCTORY OFFER, CLIP AND MAIL TODAY Please send me 3 packages of "EVER-CHARGE" at this special introductory price of only \$1.25 per package.

Loses five calves by 'chicken disease'

The loss of five calves on Les Anderberg's Bow City farm from a form of coccidiosis (chicken disease) was reported this week. Calf loss from this type of disease is not prevalent in the area, but it is not uncommon, according to information given The Bulletin.

This disease in farm animals is often the result of a "stress factor," when the bacteria present in the animal's system overcome the anti-bodies, such as in pneumonia. With calves, it may be the result of a change of feed, of being moved by truck, or being placed in a feed lot already in use. There are several factors which may contribute to "chicken disease."

It was thought that the large flocks of pigeons frequenting farm buildings and contaminating feed by their droppings was one source of coccidiosis, but this reason is discounted.

It is advisable to contact a veterinarian at the first sign of sickness in farm animals.—The Bulletin, Brooks, Alta.

Clippers for cutting hair were originally imported from England and France.

SPRING again!

Real Savings for the Spring Change-Over

Boys' Tan Pants Men's

Made from 8½ oz. rugged army twill. Fast color, zipper fly. Fully sanforized. A real rugged, long-wearing pant. Reinforced seams. Sizes 8-18.

Local News

Mrs. R. H. Astely and daughter from Minburn spent several days last week at the home of her parents, Mr. and Mrs. G. Theroux of Irma.

Mr. and Mrs. C. Pyle have installed a Philco TV set. Miss Cleora Garvie of Kinsella is employed at the Bank of Montreal here and will take the place of Betty Armitage who will leave Irma next Monday and return to her home at Kinsella to make preparations for her marriage in early April.

Mr. and Mrs. G. Hurst returned early this week from a lovely holiday trip in their "Palace of Dreams" trailer to California and other parts of U.S. Mr. and Mrs. Hurst enjoyed their winter holiday very much and have come home looking much benefited by the change and rest.

Gerald Glasgow came home from Viking hospital this week. Mr. and Mrs. F. T. Thurston, Mr. and Mrs. Ron Thurston and family visited at the home of Mrs. Ron Thurston's parents, Mr. and Mrs. Hugh of Hope Valley on Wednesday of this week.

Our lovely clear, bright weather continues. The snow recedes a little every day and everyone is enjoying this interlude between winter and real rip-roaring, crow-cawing spring. Experience tells us that a rip-roaring blizzard is probably around the corner between us and spring proper. Even if that does come, we won't entirely forget these two past weeks which have shortened the winter so much.

Mrs. L. H. Basse is back in Wainwright hospital again this week.

Mrs. G. Scott and Lois Reed have both been hospital patients this past week suffering from injuries received when they slipped on the icy streets during the weekend.

Mrs. G. M. Holt of Edmonton was an Irma visitor on Tuesday.

The members of the Irma United Church Sunday School with their teachers were guests of the W.A. at a lovely supper in the church basement on Friday evening. The tables were very prettily set out and a lovely meal was enjoyed by all. Mr. S. M. Brown, S. S. Supt., moved a hearty vote of thanks to the ladies for their kindness. Following the supper, Mrs. Inglis conducted a merry sing-song and Mr. Inglis showed three good films.

A very fine addition to the United Church Sunday School is a beautiful attendance record board presented by Linda and Coreen Prosser in memory of their grandmother, Mrs. Wm. Barber. H. W. Inglis dedicated this board last Sunday morning.

Mrs. Jack Simmons brought a group of CGIT girls from Kin-

NOTICE

The Annual Meeting of the Graton Rural Electric Assoc. will be held in the Legion Hall on March 25th at 8 p.m. 13-20

NOTICE

The Annual Meeting of Irma Co-operative Assoc. Ltd. will be held in the Legion Hall, Irma, on Wednesday, March 18th at 1:30 p.m.

OPTOMETRIST

D. A. Mathieson, R.O. 205 Birks Building, Edmonton Alberta will be in Irma at the Hotel on Monday, March 16. For appointment see Mrs. Lang, Drug Store.

Card of Thanks

Many thanks to all the good friends who so kindly sent cards, letters and treats and came to visit me during my stay in Viking Hospital. Your thoughtfulness is deeply appreciated.
—Isabel Hutchinson.

sella to Irma a week ago Wednesday to take part in an affiliation service with the Irma groups and the W.M.S. Affiliation badges and certificates were presented and following this, Donna Lovig conducted a sing-song and Carol Lovig and Eileen Anquist presented a contest before the Irma girls all served a lovely lunch to their guests.

On Sunday last, Mr. and Mrs. Malcolm Frickelton of Chauvin came to Irma with their lovely little daughter, Denise Kim to have her baptised in the United Church by Rev. H. W. Inglis. Denise's grandparents, Mr. and Mrs. Ezra Fahner and her young uncle accompanied them to the church service and later dined at the home of Mr. Fahner's brother, Milton.

Mrs. A. Owen is a patient in Viking hospital.

Mrs. K. Desjardine and family visited with relatives at Halkirk on Sunday last.

Mrs. I. T. Skiles of Ryley was an Irma visitor last weekend.

Mr. Congdon Sr. is a patient in Viking hospital.

Mr. and Mrs. F. Clumstad and family were weekend visitors to the city. Congratulations to Virley Sampson and Arlene Clumstad who ranked First Class Honors in the Theory examinations of the Toronto Conservatory of Music Grade I.

This bright weather shows up the cobwebs so spring cleaning is to be the order of the day. Leading the cleanup parade is the Irma Post Office which has had a very thorough going-over and looks as dainty and fresh as a daffodil.

The Catholic Church is also being thoroughly renovated with new pews and other innovations.

- Public Notice -

By the Board of Trustees of The Wainwright School Division No. 32 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the Wainwright School Division No. 32, of the Province of Alberta, that the sum of \$155,000.00 (one hundred fifty-five thousand dollars) should be borrowed on the security of the said Division by the issue of Debentures repayable to the bearer in twenty (20) equal consecutive annual instalments with interest at the rate of no more than six per centum per annum for the following purposes, namely:

1. Constructing and equipping an eight-room school with gymnasium in the Town of Wainwright.
2. Constructing and equipping two additional classrooms in the Village of Irma.
3. Renovations to school shop at Wainwright.

THEREFORE, notice is hereby given by the Board of the said School Division that unless a poll of the proprietary electors of the said School Division for and against the said debenture loan is demanded as provided by the School Act, the said Board will apply to the Board of Public Utility Commissioners for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

F. M. HILL, (Chairman).

Dated at Wainwright this 6 day of March, 1959.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by five proprietary electors of each of at least twenty per cent of the districts in the division.

Every demand for a poll must be delivered to the Secretary of the Division or, in his absence, to the Chairman of the Board of Trustees, within fifteen days after the date of posting or of the last publication in a newspaper of this notice. A certified copy of the demand must be forwarded forthwith to the Board of Public Utility Commissioners of Alberta at Edmonton.

"Proprietary elector" means an elector, who is liable to assessment and taxation for school purposes in respect of any property situate in the School Division.

13-20c
